WAYNE TOWNSHIP HIGH SCHOOL

The 1958

Ben Davis High School

New Building, Largest Enrollment

Mmm! It Looks Good!

"Isn't it beautiful!" This and other similar remarks were made when the Ben Davisites first saw the new cafeteria. Now, eating at the attractive formica-topped tables in the sunny room has become a natural daily habit. Even though they have become accustomed to it, the students still appreciate the convenience and the beauty of the new cafeteria.

Ofttimes, at night the cafeteria tables and chairs are pushed to the sides, leaving the center of the floor clear. Accordion doors are closed to cover the steam tables and kitchen facilities. The lights are made a romantic blue; various decorations are erected. The cafeteria has become a ballroom.

A part of Trustee Samuel Lang's extensive building and maintainance program in the Wayne Township Schools has been the \$100,000 remodeling project in the Junior Building. Because so much had to be done, the last class had to wait until October 1st to move into their room. All of the inconvenience was soon forgotten in the pleasure of the improved facilities.

Need A Ride Home?

If you need a ride home you may take one of the 21 school busses which can be found each day at 2:30 p.m. waiting in a convoy in front of Ben Davis. If you miss the bus at 2:30, don't panic! Nearly all of the buses come back for a second load, since almost 70 per cent of the student body is transported back and forth by the school buses.

More And More All The Time !

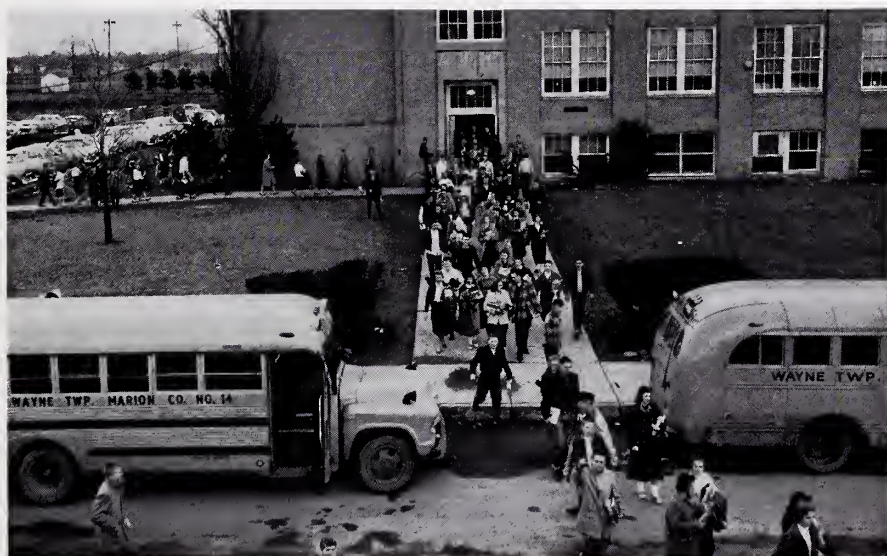

Each year the Ben Davis High School students increase in number. The 1957-1958 school year had the biggest increase in enrollment in B.D.'s history. Ben Davis had 1785

students this year. Although Ben Davis is the largest township high school in the country, she still must grow larger as her population increases.

Ben Davis Sports New Industrial Classes

The new Industrial Arts building has many new pieces of equipment to aid in teaching Ben Davis students vocational skills. Included in the new equipment is a heat-treat furnace in which the workers may harden metal. Here Dick Howard reaches into the furnace to pull out a piece of steel he is making into a chisel.

Marching Band Places 7th Out of 102

Waiting at attention at the State Fair for the sound of the starting gun are: (left to right) majorettes, Marjorie Pettitt, Anita Wills, Jackie White, Judy Morehead, Betty Ray, Debra Brown, Joyce Harris, and Bonnie Garbes.

These girls and the rest of the Ben Davis Giant Marching Band had three minutes to perform their catchy routine in front of the judges at the annual Indiana State Fair Marching Band Contest. With flashing instruments and swift high-stepping feet, the Ben Davis band marched past the judges and a grandstand packed with spectators.

Evidently they left a favorable impression, for they came home with seventh place honors out of 102 participating bands.

Two invitational trips to Chicago this summer await the band after a victorious trip to the State Lions Convention at French Lick in June where they placed first. Eligibility for the National Lions competition was among the honors reaped.

Numerous practice sessions this summer will prepare the band and auxiliary groups with a new routine for the many activities coming early in the school year.

Eating Their Own Cooking

The 21 hard-working cafeteria women of Ben Davis must eat a hurried lunch before the pupils begin to pour into the building at 10:35 a. m.

This year the women have many new facilities to aid them. Some of the new equipment includes three big

refrigerators, two walk-in freezers, steam cookers, a garbage disposal, and automatic dishwasher, and a new potato peeler to peel the 12,350 pounds (six tons) of potatoes consumed annually at Ben Davis.

A new Powermatic Planer is used by a student in one of our modern shop classes.

B. D. Boy 2nd In State

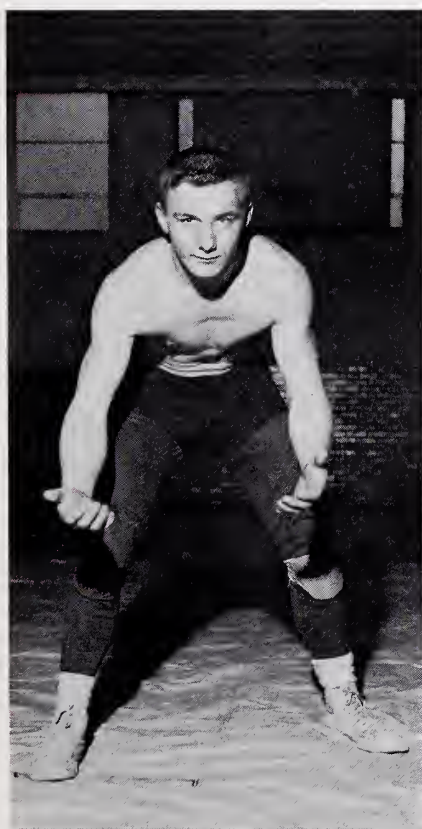

An outstanding junior on the Varsity Wrestling Squad was the only member to succeed to a final match for State Champion.

Tim Mongan was only seconds away from bringing the first State Championship in wrestling to Ben Davis.

This 165-pound grappler was overtaken by his opponent from Kokomo by a score of 5-4 in the final match of the state championship. Tim led the Kokomo boy all through the match until he was called for stalling with two seconds remaining. The other boy was awarded two points, enough to oust Mongan by a score of 5-4.

During the regular season 21 opponents went down in defeat when they met Tim. Twice he finished with a draw match.

Tim remarked "I have another year and with only three seniors graduating from our squad, we hope to 'clean up' at the state meet next year."

Tim Mongan, Ben Davis junior, was a state finalist in this year's wrestling meet.

They All Had A Hand In It

Rewards for individual achievement which come from outside sources include the selection of an All-County basketball team by the sports-writers on our city newspaper staffs. Pictured here from left to right are Larry Pratt, Gene Wise, Eljie Bennett, and Richard Russell. These boys were members of that All-County team and each played a big

part in our winning the tournament. All four boys were regulars or "starters" most of the year and all but Richard Russell will graduate this year.

In addition to this honor, Larry Pratt won the Outstanding Football Player Award, and Gene Wise was the winner of the Booster Award for mental attitude and sportsmanship.

D. A. R. Girl Awarded

Each year at Ben Davis High School the D.A.R. good citizen award is presented to an outstanding senior girl. This year's recipient of the award was Martha Bicknell.

The representative was chosen by the faculty, after which she took numerous tests.

The choice is based on citizenship, scholarship, and an understanding of American history.

Martha Bicknell, Ben Davis senior, wins the Daughters of American Revolution Award.

Ben Davisites Keep Up With Latest Fads

Something New?

Intramural programs in school today are instituted so that all students will have a chance to participate in some sport 'just for fun.' This year, under the direction of Coach Kenneth Cox, Ben Davis started an Intramurals program for the boys and it was well received. Over 200 boys played basketball games on Monday, Wednesday, and Saturday under Mr. Cox's supervision and coaching.

Because of the great popularity of this fine program, next year the school officials plan to broaden this play plan to include other sports such as volleyball, softball, and, perhaps, flag-football.

First Year For Cords

He's a senior. She's a senior. You can always tell — at least on Fridays you can. This is the day that seniors wear their senior cords. Establishing a tradition, the 1958 seniors decorate their cords with lavish artwork, depicting cartoon characters or symbols of clubs.

Did you keep up with the latest fashions this year? Ben Davisites did. A fashion that became very popular was the crew neck sweater. These sweaters, for boys and girls both, are usually worn over a white shirt. They are warm and comfortable, which makes them practical as well as attractive.

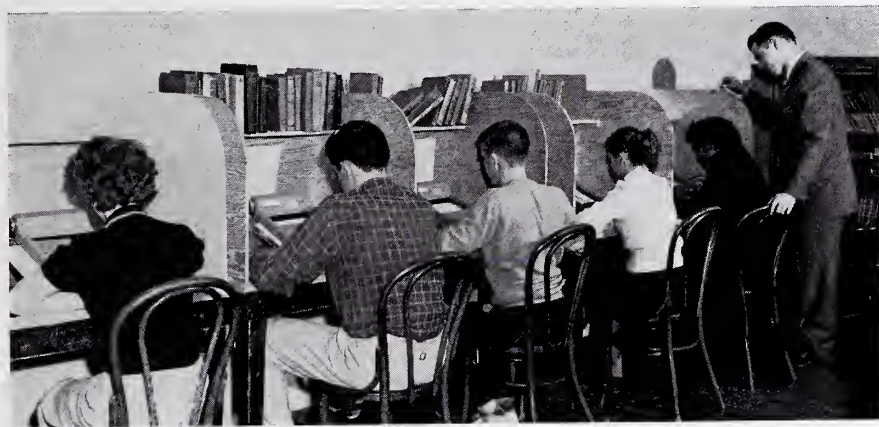

Since saddle oxfords are worn by the majority of teenagers, socks became an issue of fashion news. Besides the traditional bobby socks, many girls wore colored knee-length socks.

The most startling fashion find of the year was the chemise dress. The "sack" dresses brought many comments — mostly pro from the girls and con from the boys.

Personal Civics Taught To Frosh

Personal Civics is a part of the new guidance course for freshmen instituted at Ben Davis this year.

Students Helped With Reading

America's schools are faced with a serious reading problem. Because our Administrators are aware of this and

are progressive, Ben Davis now offers a program to help our students with their reading difficulties.

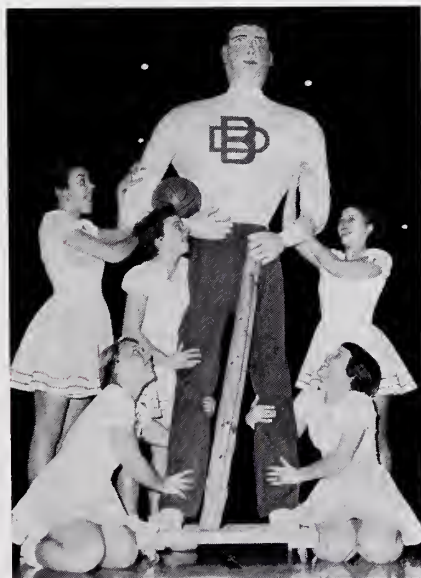

Mr. Duane Fleener was put in charge of this class, and he was given eight reading machines to enable him to accomplish his goal. That goal is, mainly, to help Ben Davis students to become better readers. The plan is to develop good readers and to increase every student's reading speed rather than to remedy particular defects.

The class is open to students who wish to improve their reading speed and accuracy and is not just for those who are slow readers. Mr. Fleener, as shown here, works with these teaching devices which work on the principal of covering up a printed page at a prescribed rate of speed. This program has been well received by those who have had the opportunity to take the course.

He's On Our Side

"Oh! Look how tall!" The gigantic figure that awed many audiences is "Big Ben," Ben Davis' new mascot. This eight-foot, three-inch fellow is the product of many hours of hard work. He is stuffed with old curtains, newspapers, and cushion stuffing to give him his muscular physique . . .

Admiring Big Ben's size and strength are: *Left to Right:* Cheerleaders Sandy Allen, Delores Frost, Ann Wechsler, Nancy Parr, and Eileene Taylor.

Industrial Arts Taught In B.D.

One of the most important parts of our building expansion is the new Industrial Arts building. In addition to being beautiful, the new building now offers Ben Davis students opportunities in vocational and industrial fields that is not to be surpassed by any school in the state. Department Head Dwight Cottingham and his staff are happy and proud to be able to offer our students a complete vocational education. Ben Davis students are also grateful for this fine building and thankful to the community for furnishing this new educational facility.

P. T. A. Sponsors Fall Festival

Booths galore filled the Ben Davis Senior Building, as the annual Fall Festival got under way. This PTA sponsored event took place on Friday, November 15.

The highlight of the evening was the crowning of Larry Pratt and Nancy Farr as King and Queen of the Fall Festival.

Some of the gaily decorated booths included a candy booth, a flower booth, cider and donut booth, a popcorn booth, a surprise package booth, and an Autograph Hound Booth.

New Building Confuses: But Pleases

Although adding beauty to the Ben Davis campus, the new Industrial Arts Building confused many of the upperclassmen, as well as the freshmen. Very soon, though, all of the students were very pleased with and proud of the new addition.

While entering, the Ben Davis students admire the new Industrial Arts building.

Industrial Arts Drawing Facilities Considered Best

"The Ben Davis Mechanical Department is now one of the best in the state," says Mr. Dwight Cottingham, head vocational instructor. It has benches complete with drawers and board, and two blue printing machines. The blue printing machines will duplicate many things for other departments of the school.

The machine shop has added 11 new lathes, and a vertical milling machine, a surface grinder, two pedestal grinders, a metal shaper, a band saw, a drill press, and a heat treat furnace. The

equipment from the two small woodshops has been combined, making one of the best equipped woodshops in the state, Mr. Cottingham said. Also a new 20-

summer Jackie Brow Bud Jones Ron Crane, H. Craig, Joy McConnell, Rom England, Marcia Fredrick, Barb Rike, and Janice VanTreece.

Biology Laboratory Boasts Equipment

Plastic models of the heart, respiratory system, digestive system and brain are just part of equipment in the new biology laboratory in Wayne Central 311.

"But that laboratory is just forerunner of what is hoped in the future," commented Robert Seeman, head of the science department. He explained next year the Wayne Central Building will be filled with laboratories for sciences.

This year pupils will study frogs and grasshoppers and specimen in the new biology laboratory.

Mr. Trent Gipson, Masariu, and Mr. Evans are the biology teachers.

Shirley Spencer, sketching, and Sonda Cooper, painting in oils, develop their talents in an advanced art class.

Members of Mr. Donald Hansell's English VI class study American Literature, a required course at Ben Davis.

A Variety Of

Speeches, sparkplugs, poise, and paint. The 1800 students of Ben Davis, representing a variety of backgrounds and interests, keep the classrooms busy with a multitude of subjects.

Preparing Wayne Township students with not only a good background of the basic subjects, but also an adequate knowledge of other general topics keeps B. D. ranked high scholastically.

Everything from the classics, represented by Latin, to the advanced sciences, with Physics, is offered at Ben Davis. Work was cited at the end of the year and awards were reaped in a variety of subjects, from art to drama and choir to chemistry.

Student librarians, driver's ed. students, and members of the trigonometry class are just a few examples of interested students taking advantage of the host of subjects offered at Ben Davis.

Speech class teaches the student poise, as well as the proper ways to give speeches and the technics of drama.

Classes Holds Student's Interest

Busily checking references for potential themes are John Cure and David Brown.

Mr. Wendell Hine teaches his Driver's Education students how the motor of an automobile works.

Beverly Morris, a botany student, stretches to get the last leaf from the tree for her leaf collection.

Mr. Charles Mathieu shows two of his Physics students, Larry Bingman and Joanne Marcum how a steam engine runs.

B. D. Scientists

In this age of Sputniks, rockets and space the inquiring minds of today's youth must be alert and prepared. To help the chemists, physicists, doctors, engineers, and rockateers of tomorrow get a good start in their prospective fields of study, Ben Davis offers a well rounded course of science fundamentals.

Courses offered include: biology, botany, chemistry, and physics. This year the biology department obtained a new laboratory. Therefore they are better able to learn the biological aspects of living matter. For the first time in B.D.'s history, the students have enough room and equipment to do dissecting. The plans for next year include a new chemistry physics lab.

More than ever before in the history of the world, science is an important field and Ben Davis High School is doing her part in furthering progress.

Ben Davis Teaches Physical Fitness

Daily exercise are a part of the limbering up routine of the girl's gym class. These girls are taught many sports as well as personal hygiene.

Bill Hamilton, senior, cleans out his locker. The Student Council's annual spring clean-up campaign encourages students to clean their lockers.

The Tennis team practices daily on the school courts in the spring to gain better skill.

And Clean Living

Besides teaching readin', writin', and 'rithmetic, Ben Davis Teachers and administrators also teach the pupils a clean, healthy way of life.

Required of all B. D. students are two semesters of gymnastics. Both the boys' and the girls' gym classes indulge in daily calisthenics. Also, they are taught the basic fundamentals of several sports. Whenever the weather permits the gym classes are held out-of-doors.

To encourage the students to keep their lockers and the rest of the premises clean the Student Council promotes an annual Spring Clean Up Campaign.

As the weather turns warmer the Ben Davis students are encouraged to participate more in outdoor activities such as golf, tennis, swimming and picnics.

Through the preceding activities the B.D. faculty hopes to teach the students physical fitness as well as mental fitness.

Becky Brown, Fred Moore, Jane Schuh, and Jerry Kendall enjoy themselves on a spring picnic, a healthy activity.

The boy's gym classes do many exercises. Among them are set-ups.

Homecoming

Nancy Farr Reigns Over Homecoming

Nancy Farr, senior, reigned over the 1957 Homecoming ceremonies Friday night.

At halftime of the Warren Central game Nancy was escorted on the field riding in a Pontiac convertible, lent the school by John Ramp, Inc. She was presented with her crown by Larry Pratt.

The marching band formed a giant heart on the field and in tribute to Nancy played "The Sweetheart of Sigma Chi."

The court members from each class who were Nancy's attendants were Debra Brown, senior; Rhoda McDaniel, junior; Sandra Allen, more, and Tonda Pemberton,

Is Bigger And Better

Ben Davis' 1957 Homecoming was even bigger and better than last year's. It began Friday afternoon, September 13, with a big parade. Leading the procession in convertibles were Nancy Farr, Homecoming Queen, Debra Brown, Senior Attendant, Rhoda McDaniel, Junior Attendant, Sandra Allen, Sophomore Attendant, and Tonda Pemberton, Freshman Attendant.

That night the Giants met the Warren Central Warriors on the Ben Davis gridiron for a rival game. In the first half, the teams battled to a deadlock, 0-0.

At halftime Nancy Farr was escorted on the field in a white convertible. Co-captain Larry Pratt placed the crown on Nancy's head, making her Ben Davis' second Homecoming Queen.

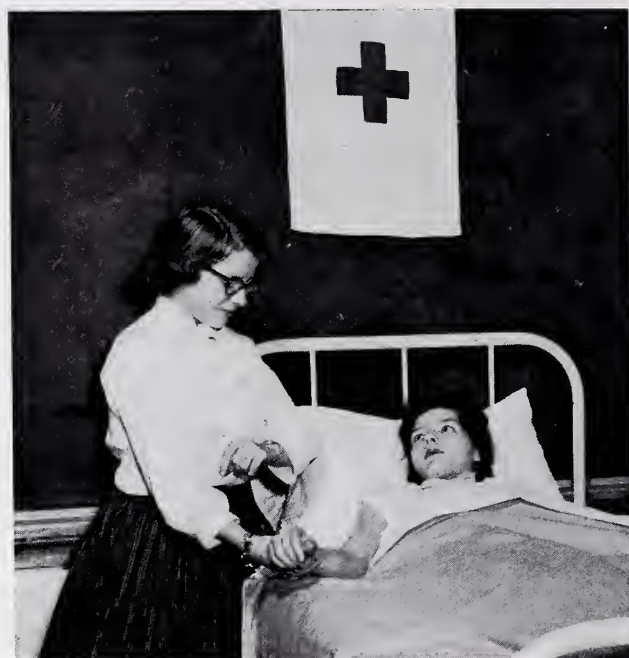

After halftime the Giants returned to the gridiron and wasted little time in scoring against the rival eastsiders. With eleven minutes remaining in the third quarter, the Ben Davisites made the first touchdown of the game. From then on, the Giants thundered past the Warriors. When the smoke had cleared, the Warren Central Warriors found themselves upended by the host eleven, 20-6.

Whoa! he went the other way! Larry Pratt reverses the field during Homecoming game.

Homemakers and Handymen

Future Homemakers learn the correct techniques of caring for a home and family in Ben Davis' Home Economics Department.

In Home Ec. I and III the girls are taught not only to cook and preserve food, but also to plan meals and do the weekly shopping. They learn what vitamins the body needs and the foods that supply them.

In Home Ec. II and IV they learn to make clothing, to mend, to match colors, and to plan outfits.

Marriage and family living is the subject taught in Home Ec. V. In this course, the girls learn some of the common problems that arise in any family and how to cope with them.

In Home Ec. VI the first six weeks are devoted to teaching the students Home Nursing. When the training is completed successfully, the girls are Certified Red Cross Home Nurses. The next twelve weeks of Home Ec. VI are spent learning all phases of child care from the prenatal period through the adolescent age.

When a girl has completed three years of Home Economics at Ben Davis, she is capable of becoming a competent homemaker.

Of Future Learn At B.D.

The boys at Ben Davis are being offered a fine opportunity in vocational studies. With the advent of the all new Industrial Arts Building and many pieces of new equipment to supplement the old, Department Head Dwight Cottingham and his staff are able to offer a complete vocational education second to none.

New courses have been added and other courses expanded and improved. Auto Shop is a new subject offered to our mechanical-minded boys, and it is extremely popular. Mr. Don Trout teaches it. Another new subject, instructed by Mr. Ray Hurt, is Machine Shop. This is an entirely new and complete shop that is the pride of the boys who wish to be machinists. Welding skills can be learned from Mr. Oren Dabney; Carpentry from Mr. Kenneth Hayes, Mr. Ted Greene, or Mr. Dwight Cottingham; and Mechanical Drawing is taught by Mr. Raleigh Roach and Mr. Ted Greene.

In this highly mechanized age, Ben Davis is justly proud of its Industrial Arts Department.

Mr. Raleigh Roach shows his mechanical drawing class one of our two new blue-printing machines.

Students Practice Phases

Shanda Cook, Janice Schmink, Ronald Jordan, Judy Sater, and Rollin Marks learn more about journalism by working on the News Bureau, a division of Ben Davis' publications.

It is the belief of the Administration at Ben Davis that a well rounded curriculum should include opportunities for students to acquire actual experience in various occupations. Thus, their policy is to provide such opportunities as publishing a newspaper, secretarial practice, cadet-teaching, or working at a trade.

Journalism gives the students a basic idea of what news is, how it is to be reported, while working on the publication of the Spotlight teaches them the problems, as well as the joys connected with producing a newspaper.

with the Principal of the Ben Davis Grade School, Mary McClelland, has instituted the Cadet-teaching program. Each semester, approximately ten senior students are used to help in the elementary grades one to four. They receive experience in keeping attendance records and in making bulletin board displays and other teaching devices. One of their major jobs is to help slow reading students improve in that important subject.

Many Happenings Take

Mr. Masariu is quite a load for a little donkey to pull, but he's trying to anyway!

If a stranger should wander into the halls of Ben Davis High School, what would he see?

On some days the sight would be unusual indeed. He would see the Ben Davisites wandering down the hall attired in their "rags" instead of their "riches." Although the spectator would wonder at first, he would soon realize it was "Hobo Day," a special day sponsored by the Student Council.

An unusual evening's entertainment would be the Donkey Basketball game, given by the Ben Davis Lions' Club. If the stranger should wander into B.D.'s halls on an ordinary day the sights would still be interesting. He could watch the students learn and practice skills in English class, Band class, Math class, Audio-Visual class, and countless others.

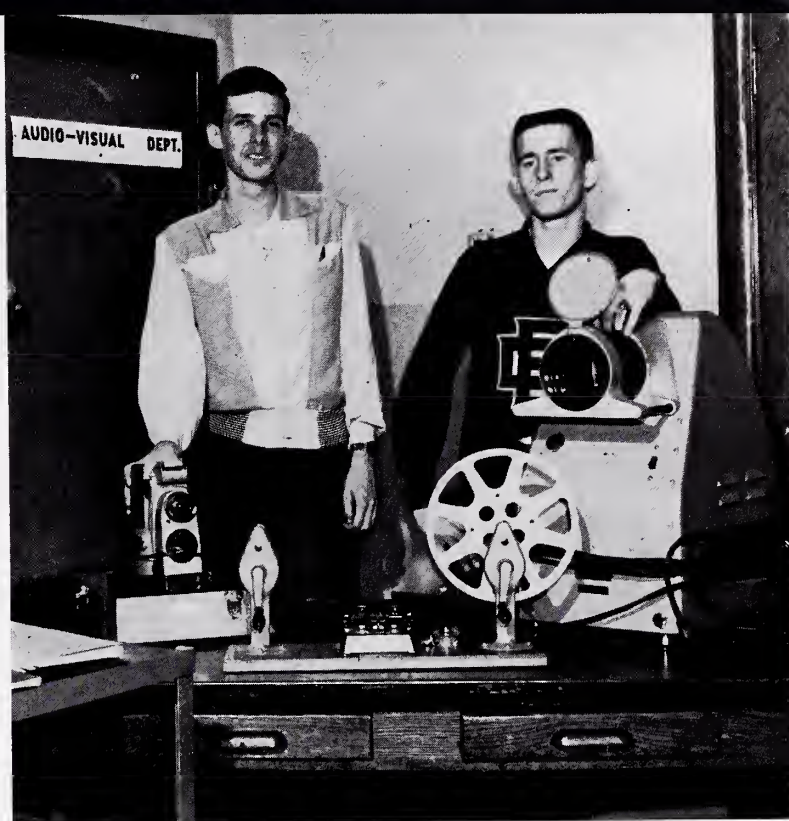

At the close of the day he could watch B.D. boys take down the flag.

These, and many other things, happen at Ben Davis 'all in a day'.

Nedra White and Pam White get the 'once-over' from Ron Jordan and John Curl during Hobo Day.

Projectionists Larry Hartley and Bill Kelly pose with our new Audio-Visual equipment.

Place In A Typical B.D. Day

The end of our school day is marked by the lowering of the Flag. Joe Poliquin and Ron Jordan fold the flag

while Don Jones secures the flag-pole rope.

Larry Trout and his date, Sally Bell, will remember the Grand March at the Junior Prom.

All Are Busy With Activities

From soc hop to prom, Ben Davisites go in for both in a big way.

After the football and basketball games, students can be seen pouring into the Industrial Arts Building for a soc hop. Among the popular dances executed by Ben Davis guys and gals are: the *Stroll*, the *Walk*, the *Chicken*, and the ever-popular *Jitterbug*. Customary garb for soc hops includes a wide variety of sport clothes for both boys and girls.

On another big night of the year, the same group may be found in sophisticated tuxedos and frothy lace formals. Newly-polished cars may be seen advancing to the downtown area in the direction of the Indiana Roof where the big event is held every year. Perhaps some are more excited than others, for they are to serve in a special position that night. There will be a king and queen, a prince and princess, and eight attendants. It is the night of the Junior-Senior Prom.

The "Stroll" was the rage this year. Kathy Tandy and Mike Sanders take their turn at a Sock-Hop.

There's Always Something To Do

Ben Davisites have 33 extra-curricular activities to choose from, besides sports. These activities include almost any interest a student would have—everything from drama to figuring math problems; from singing to judging vegetables. The social life at B.D. is “rounded out” to near perfection.

Band's 125 Have Activity—They March

BY BONNIE GARBES

Ask any of the 125 members of the Ben Davis “Giant Marching Band” what they have been doing since the middle of July and they will quickly answer, “Marching, marching, marching.” So, they have, too.

Besides the 13 evenings of practicing, they have made three contest appearances. On August 13, the band won a second place rating at the Vigo County Fair Marching Contest in Terre Haute. Chicago was their destination August 24, when the band marched in the Chicago Mardi Gras Contest at Riverview Amusement Park. They received a 96 per cent rating and a first place trophy. N.H.S. Honors Those With Top Scholarship And Good Character

Acknowledging the definite need, in this highly advanced world of ours, for high scholastic achievement and the recognition of such, the National Honor Society, sponsored by Miss Olive Carruthers, entered its second year at Ben Davis.

Mrs. Alma Steiner, Mrs. Helen Pounce, and Mr. Robert Seeman, assistant sponsors, helped

plan the year's activities, which were highlighted by a banquet at the Indiana University Medical Center. The "Honor Hop," a dance for honor students, was sponsored by the group. A trip to Allison's Panorama, a Christmas party, and a panel discussion from the Deaf School were programs at the meetings.

National Honor Society members are: *First Row:* Becky Brown, Brenda Dudziak, Shanda Cook, Barbara Trout, Duane Randall, Mary Jo Moss, Erla Danner, Keith Edmondson, Elaine Daughtee, Judy Plunkett. *Second Row:* Martha Bicknell, Sandra Jumpp, Marguerite Wright, Bonnie Garbes, Jane Schuh, Janet White, Cynthia Timmerman, Judy Linn, Susan Nachoff, Nancy Farr. *Third Row:* Charles Ford, Christine Blake, Joe Snyder, Dale Paul, Wayne Small, Carolyn Benefield, Judy Barrett, Marian Dierdorf, Phil Heffelman, Larry Bingman, Don

Officers of the Student Council meet with Mr. Apple and Mr. Wood to discuss and solve many student school problems.

Student Council Represents All Ben Davis Students

The Ben Davis Student Council underwent a reorganization process this year and became active under a new constitution. Class representatives are elected by the students of their respective classes as delegates to the council. The group now consists of six senior, five junior, four sophomore, and three freshman representatives, with four officers and two sponsors.

Among the activities sponsored by the organization this year were the second annual Homecoming, an entertainment convocation, and Hobo Day. The Mid-Winter Whirl, which is the Council's annual yule season dance, proved to be a big success.

Meeting bi-weekly in the Industrial Arts Building, the group is sponsored by Mr. Richard Apple, guidance counselor and Mr. Howard Wood, vice-principal.

Quill And Scroll Is An Honor Club For Outstanding Journalists

"Ye shall know the truth and the truth shall make ye free." That is the motto of the Quill and Scroll Society, a national honorary group for outstanding high school journalists. The society was formed in 1926 for the purpose of encouraging and rewarding individual achievement in journalism and relative fields.

Qualifications for membership are based upon scholastic standing and personal qualities of leadership as well as outstanding work in some phase of journalism.

The group, which meets once a month with its sponsor, Mrs. Marg Hile, is planning a publications forum in the spring.

The Hillbilly Hop and the Sweatheart Swing were sponsored by the SPOTLIGHT.

Tentative plans for next year, as disclosed by the adviser, Mrs. Marg Hile, include going to a weekly publication meeting.

Second Semester Spotlight Staff members are: *Seated:* Bid Collins, Karen Harmon, Peggy Gray. *Standing:* Carol Hollingsworth, Jackie Wolf, Julie Davis, Sue

Keyhole Staff Works To Compose 1958 Yearbook

Production of the Ben Davis yearbook, The KEYHOLE, begins in the spring with the selection and organization of next year's staff. It continues through the school year until every student receives his annual at the last of May.

When the first semester begins in the fall, the entire staff is kept busy selling ads, planning pictures, and preparing the advertising campaign for the actual sale of the book. As the year moves along with its many events, the book must move too. Copy must be written, pictures identified, and the book linked together and sent to be published.

Special projects completed by the staff this year were the sale of Valentine carnations in February and an autograph dance in May.

Carol Hollingsworth and Bid Collins type copy for the Keyhole, the annual.

A multitude of problems confront the editors and advisers of school yearbooks. Many meetings like the

Mask And Gavel Gives Three Plays For B.D. Students

One of Ben Davis' most active and colorful groups is the Mask and Gavel Club, sponsored by Mr. Don Hansell. They bring much enjoyment to students, teachers, and parents each year with their two main productions, the fall and spring plays. The fall play this year was a delightful comedy, "January Thaw," and the spring production was a murder mystery, "The Night Was Dark."

A one-act play or a program was given at each of the monthly meetings for the members' personal enjoyment.

Another highlight of the school year is the fall dance sponsored by the club. This year it was held in the new Industrial Arts Building, and had an Hawaiian theme.

Thespian Troupe Promotes Good Dramatic Art

Mask and Gavel members put in many hours of hard work to become members of Ben Davis' Thespian Troupe. This B.D. honor group, which is the 21st in the nation, was organized for young people who are seriously interested in the advancement of theater arts.

Membership is open only to those who are members of Ben Davis' dramatic group, and is based on a point system. To be selected for membership, a student must have earned at least ten points in the various phases of dramatic work.

Ben Davis' Troupe, sponsored by Mr. Don Hansell, proudly boasts thirty-three Thespian members.

The people of Titi-Pu bow humbly before their ruler, the Mikado, portrayed by Paul Newman.

"Mikado" Given By A Cappella Choir

The colorful Gilbert & Sullivan production "The Mikado," was presented by the A Cappella choir in November.

It was the story of the son of an emperor who fled from his father's court to escape the affections of an elderly woman. He disguised himself as a wandering minstrel, and while travelling with a band, fell in love with a beautiful young maiden; but she was the ward and fiancée of the Lord High Executioner.

The rest of the musical dealt with the complications over who would win the fair young maiden, and how the town could please the Mikado.

Participating in the production were nine major characters, and the other thirty-two members of the choir who portrayed Villagers.

Choir And Madrigal Provide Concert Music

Among the many activities of the Ben Davis A Cappella Choir this year was a spring tour, including a visit to DePauw University, two appearances on the Monument Circle, and the lavish presentation of the "Mikado," as well as various other public appearances.

The choir presented their Christmas repertoire to the public on the Circle, and they were chosen to perform the Hallelujah Chorus for Easter Sunrise Services for the second consecutive year.

The Madrigal singers, a small select group of sixteen chosen from the choir, is in its second year of performing publicly. To add to the variety of music performed on a concert, they present bright, lilting selections and well-known madrigal arrangements.

Band And Orchestra March And Play Their Way To Fame

Obtaining marching and concert fame throughout the state takes a lot of hard work but the Band's reward for continual practice brought them first honors in the State Music Contest and high honors in all of the marching contests.

This year for the first time Ben Davis has had an orchestra. They had the usual beginning group troubles, but they overcame them nicely. Next year they plan to be able to perform publicly, concert music for all to enjoy.

Rounding out the three main instrumental groups at B.D. are the "Stardusters," who have been very busy playing for school dances. This group, because of their smooth sound and their ability to play "pop-tunes" has become highly popular with the Ben Davisites.

Auxiliary Groups Add Sparkle

A swish of white satin, a flash of silver batons and glockenspiels, and a clash of drumsticks beating a swift cadence — these are the things that are first noticed as the Ben Davis Girl's Auxiliary groups march by in a parade. Each of the three divisions, Drummerettes, Flag Corps, and Majorettes, is a specialty group in itself. Besides practicing regularly with the rest of the marching band, each group practices separately on new music, flag twirls, baton routines, and tricky dance steps. But the time spent on practice, though often difficult and tiresome, is well worth their while when they can proudly perform with the giant Marching Band.

Celebrating ancient festivals, recreating different phases of old Roman life, staging chariot races and a banquet are just a few of the projects of the Ben Davis Latin Club.

In the fall initiation, new members are blindfolded and taken through the underworld.

Saturnalia, the harvest festival, is held in December; and highlighting the February meeting is the slave market.

April brings the State Convention, and with May comes the Floralia festival.

The Ben Davis Latin Club is a member of the Junior Classical League, a national organization. The Ben Davis Chapter of J.C.L. was host at the State Convention this year.

There are 250 pupils in Latin Club.

El Revezo Recreates Old Spain At Meetings

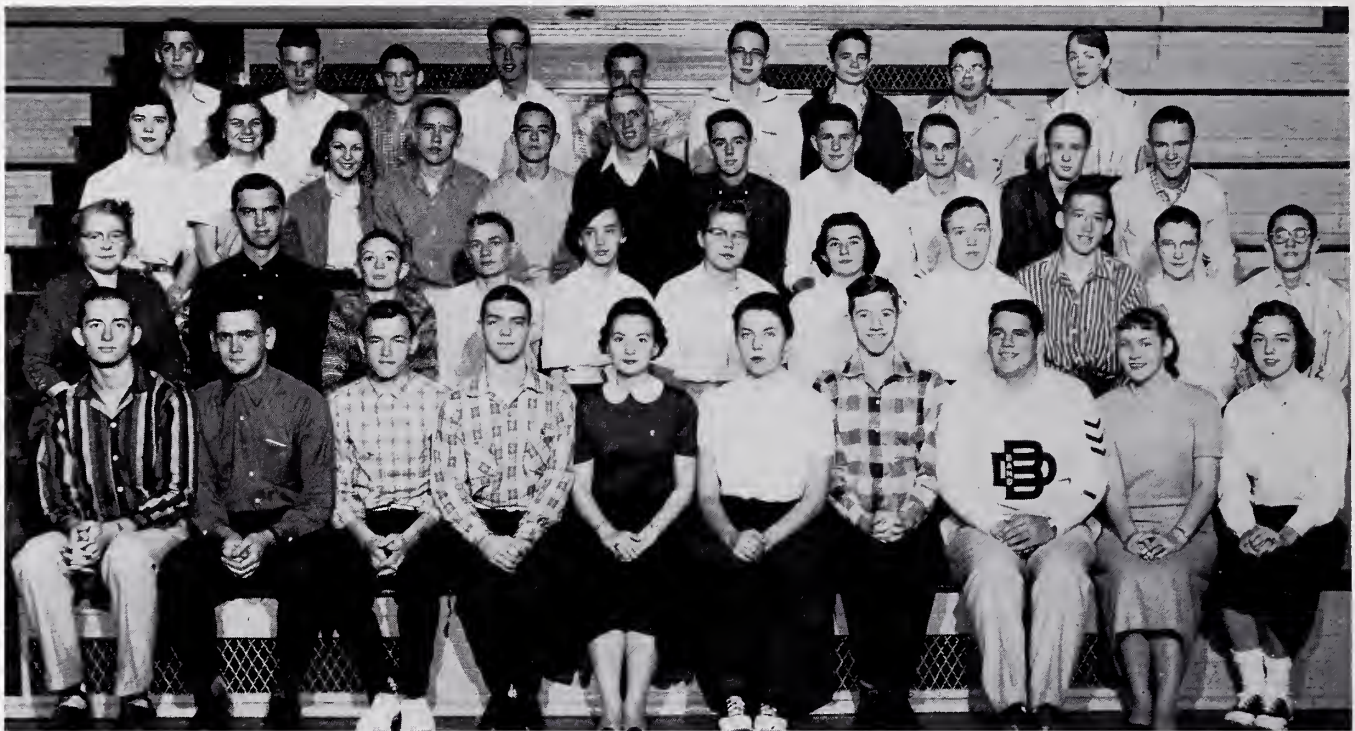

Once a month in room 5 the clack of castanets and the cries of "Si, si, Señor" inform all that the Spanish Club is meeting.

This group, sponsored by Miss Virginia Hawn, has as its aim the formation of a clearer understanding by students of the Spanish peoples and their language. To accomplish this, films and slides of Spain are shown and other programs are presented at the monthly meetings which will further acquaint the members with Spanish customs.

As a project this year, a wooden tree was placed in the hallway during the Christmas season and mittens were hung on it. The "mit-ten tree" was later given to a needy family.

Trialge Promotes More Understanding In Mathematics

For pupils with an interest in math, there is an organization whereby they can gather together and put this interest to work.

The Math Club takes its name from courses offered at Ben Davis. *Trigonometry*, *algebra*, and *geometry* are the originals from which the name Trialge is taken.

Forty pupils who are currently enrolled in a math course or have already completed a minor in math are members. Only three meetings are held each semester, and Miss Nina Martin is the sponsor.

The main project each year is decorating the Christmas tree.

Math Club members give the school a huge slide-rule and present it to Miss Martin.

Librarians Work Efficiently To Help B.D. Students

Combining the three libraries into one has proved to be an excellent move. Now in its second year, the system provides a better opportunity for students to find the materials they want without having to look in more than one place. The assistants, Miss Nell Cuff and Mrs. Roberta Harmon, work with Mrs. Louise Williams in a diligent effort to improve our library services in every way possible.

Ben Davis students are proud of the 12,000 volumes of books, 65 magazines, and two daily newspapers which give them a wide selection of materials.

In addition to learning the duties of a librarian, the 36 Student Librarians can compete for the privilege of attending an Indiana University Workshop for librarians during the summer.

Girls Are Vital Part Of Ben Davis Office Staff

The office staff at Ben Davis takes care of many duties that would otherwise prove a burden to the office secretary, Mrs. Alice Harker. The daily duties include answering telephones, taking dictation, typing, filing and running all kinds of errands.

Eighteen junior and senior girls serve the four offices with speed, accuracy, and efficiency in the work they do.

Service in the office provides an excellent opportunity for girls to gain practical experience before entering the business world.

Mrs. Gordon Harker gets excellent help from such office workers as Becky Brown at the switch-board and Martha Bicknell at the filing cabinet.

Department Secretaries And P.B.X. Girls Assist B.D. Personnel

A constantly buzzing switchboard in the main office keeps the P.B.X. operators on their toes. Junior girls are chosen and trained for this important job in order for them to take over the duty when they become seniors. One girl operates the switchboard each period during the day. She must be constantly alert and keep a clear mind to please a great many people.

The department secretaries are also an important part of the student business training division. Each department head is assigned a girl to take care of his correspondence, type tests, and perform various other time-saving duties for the teacher.

Book Den Workers Sell All School Supplies To Students

The Book Den was moved to a new location this year. They now occupy a much larger area in the basement of the senior building.

At the beginning of each new semester when the rush for new books begins, the workers are kept especially busy. They also handle all tickets to school activities, and all student fees are paid through the same channels.

Mr. Donald Sargent, school treasurer and faculty manager, selects the workers in this group. Integrity and business ability are a great part of the basis of their selection.

Clinic Helpers Aid The Sick And Injured At B.D.

Girls who are dependable, interested, and above average scholastically have an opportunity to assist Mrs. Ursel Sommers, the school nurse, in the student clinic.

At a school the size of Ben Davis, the clinic is a busy place each and every day. A record is kept of each student who is admitted to the clinic for assistance, and the type of help that was given. In case of serious illness or injury, the girls know immediately who to contact.

This type of work provides an opportunity for the girls to develop poise and ability and teaches them to accept responsibility. In addition, it often proves valuable for those who wish to go into the nursing field upon graduation.

Joan Grow helps in the Clinic under the teaching and supervision of our school Nurse, Mrs. Summers. Carolyn Robinson is the patient.

Sunshine Society Gives Help And Spreads Good Cheer

The Sunshine Society at Ben Davis is a service organization of over 200 girls. Each year it deems as its main project a substantial contribution to the Riley Fund.

At Christmas time old clothing was collected and given to a needy family. Another project was a visit to the Tall Cedars nursing home. Cookies were baked and carols sung for the enjoyment of the residents.

Boys Learn Ways Of Clean Christian Living In Hi-Y

The Hi-Y Club at Ben Davis, under sponsor Duane Fleener and co-sponsor Jerry Brown, have as their primary objectives the maintenance of a high moral, physical, and religious code. As their banner advocates, the members are pledged to promoting a way of life based on the teachings of Christ among the students at Ben Davis High.

In order to join this organization, a boy must be invited and initiated wherein he must promise to uphold Christian standards of conduct in his daily life. He must also attend meetings regularly, pay yearly dues of one dollar, and help raise money for their projects by selling Cokes at ball games.

Booster Club Cheers Ben Davis Athletes To Many Victories

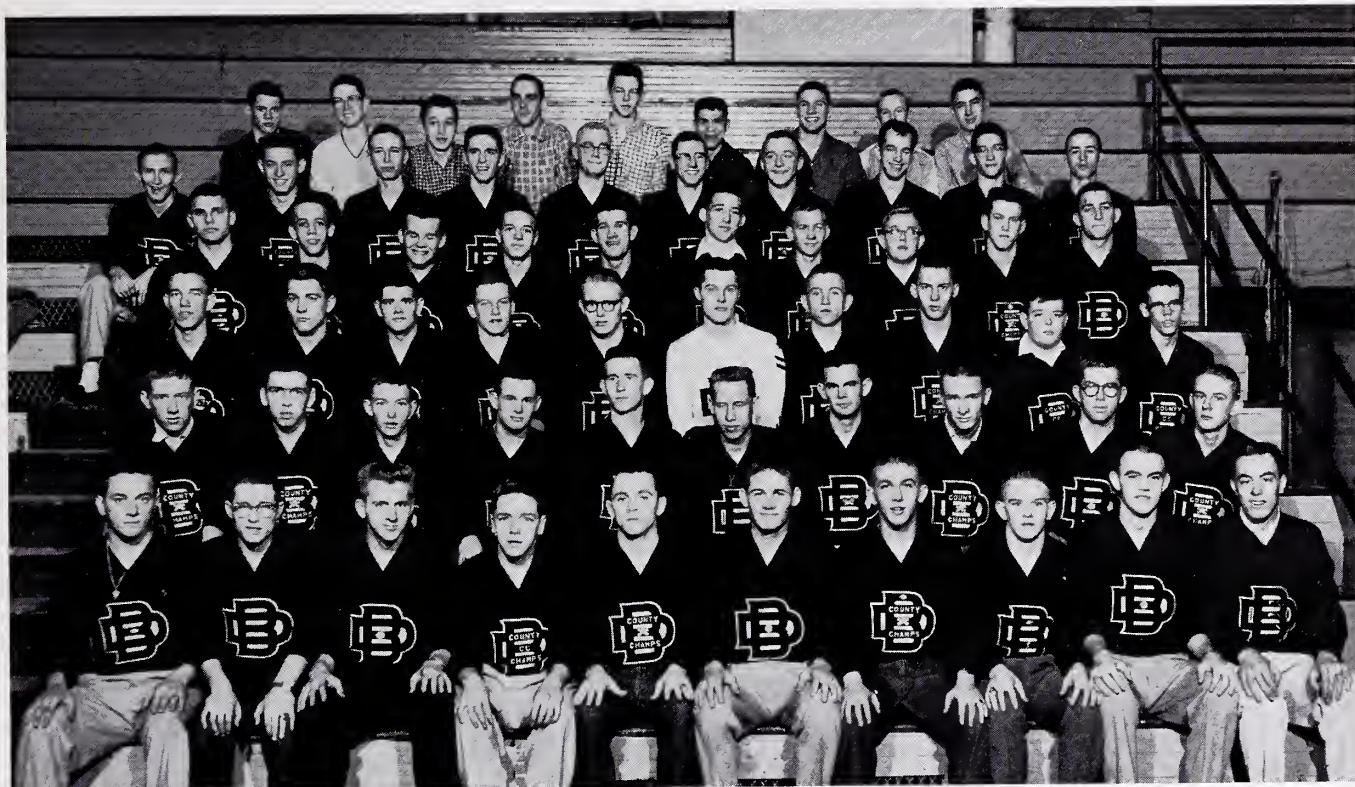

With their streaming pennants, booster-buttons, and glittering derbies, the 600 Booster Club members presented a colorful sight at every Ben Davis ball game. The skillful cheerleaders, trained by Miss Benson, led the huge group in snappy songs and peppy yells to give lusty-lunged support to their beloved Giants.

The only requirements for belonging to the Booster Club is to be a student in Ben Davis High School who is willing to promote and support school spirit, sportsmanship, and the athletic teams in every contest — win or lose.

Miss Benson is aided by Mrs. Shuler and Mr. Fleener who are co-sponsors.

All B.D. Athletes Participate In Letterman's Club

The Ben Davis High School Letterman's Club was initiated at the beginning of the 1957-58 school year, with Mr. Howard Williams and Mr. Marion Fine as its sponsors.

Elected to the offices of the newly formed club, were Larry Pratt, President, Charlie Ford, Vice-President, Jack Bantley, Secretary, and Eljie Bennett, Treasurer.

The purpose of the Letterman's Club is to help promote a wholesome athletic program and to provide better relations between athletes, coaches, students, and the administration.

B.D. Driver's Club Promotes Safe Driving For Teens

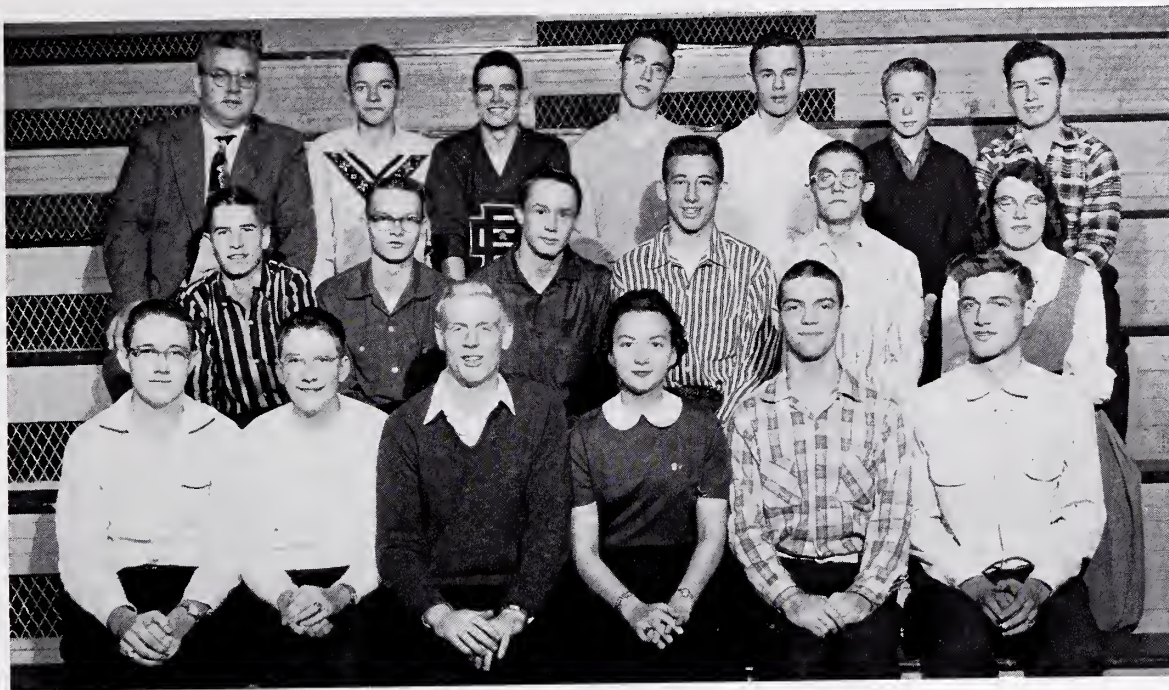

To promote safe driving in this age of cars and more cars, Ben Davis has a Driver's Club composed of more than 250 members. Mr. Woodrow Baker is the Club's sponsor and was responsible for the initiation of the organization two years ago.

The purpose of the club is to build good citizens and increase the number of safe, courteous drivers on our highways.

In order to effect such a program, the members have created a Magistrate's Court in which a student judge and jury, try and prosecute students who have been charged with illegal driving. This court, plus the daily checking for proper parking and a twice a year safety-check of all automobiles, has made the Driver's Club a valuable organization at Ben Davis.

Ben Davis Chess Club Has Successful Start In 1958

This was the first year for the newly-organized Ben Davis Chess Club. Two meetings are on their agenda for each month. The first is a business meeting, and at the second, they may be found deeply engrossed in a tense game of chess. To add interest and variety, they play exchange games with students from various other schools.

For membership in the club, a student must submit his application to one of the officers. It is then brought up before the entire group for general approval.

An elimination tournament was held as a part of the activities of the club, and certificates were presented to the outstanding players. As a part of its coming activities, the club is planning a pitch-in dinner for its members in the spring.

The group, which is sponsored by Mr. William Girton, has an enrollment of twenty-one.

Youth For Christ Inspire Christian Living

To instill in the daily lives of the students of Ben Davis, the presence of Christ, and to bring about the full realization of the joys of Christian living, is the aim of the Youth For Christ Club.

This group is in its second year at Ben Davis and rapidly increasing in membership. The meetings, which are held the first and third Tuesday evenings of each school month, are made very interesting by showing religious movies and inviting various ministers of different denominations as guest speakers.

A Youth For Christ picnic is still in the planning stage as a spring activity.

This organization, which is sponsored by Mrs. Margaret Shuler, is constantly working to expand. Any Ben Davis student who is seriously interested and who feels he can contribute something worthwhile through his services is welcome to join.

N. F. L. members are: *Bottom Row:* Della Hogen, Fatty Morford, Jim Houck, Ellen Ellaby, Elaine Daughtee. *Second Row:* Sue Austin, Mary Jo Moss, Sally Katzenberger, Brenda Dudziak, Nedra White, Bonnie Garbes. *Third Row:* Jerry Kendall, Fred J. Moore, David Oliver, Dale Henderson, Chuck Wade.

N.F.L. Gives Students Speech Experience

"Have arguments, will travel" might well be the slogan of the National Forensics League, for the twenty members of this national honorary speech organization have argued, debated, and discussed at seventeen contests all over the state, often earning top honors.

This group, sponsored by Mr. Donald Hansell, initiated eight new members in the fall of the year. Admission is measured by points which are earned by speaking in various contests. After membership has been attained, additional points are awarded as advanced degrees of membership for the participants.

Entering upon its second year at Ben Davis, this group, affiliated with the Mask and Gavel Society, meets the first Monday of every month. A joint banquet with the Dramatic Club highlights the year's activities.

'58 Bowling Club Is Largest Ever

"Set em up again in the other alley!" If you are a member of the Bowling Club, sooner or later you will be able to make such a statement.

The highest games of the season were bowled by Duff Robbins with 273 and Karen Burnett with a 163.

Steve Weaver led the boys with a high average of 160 and Peggy Savage with an average of 112.

Other members were also awarded honors at the bowling banquet that was held at the Iron Skillet Restaurant.

Ben Davis 4-H Club Wins Many Honors

'Work makes progress' and since this is the idea upon which the 4-H Club functions, this group, under the direction of Mr. Dwight Cottingham and Mrs. Vivian Summeier has made great strides during this school year. Over 200 boys and girls took part in one or more of the many projects offered to them and many won awards for outstanding work on their particular project.

One of the most important things a boy or girl may learn is leadership, and Sandra Ritchie and Karen Pfenning won awards for outstanding achievement in this field.

Junior Leaders for the 4-H Club are: *Standing*: Donna Hunt, sponsor Mr. Dwight Cottingham, Bruce Black-

well, and sponsor Mrs. Vivien Summeier. *Sitting*: Marion Dierdorf, Dale Paul, and Carolyn Benefiel.

B.D. Can Be Proud Of Athletes

Ben Davis offers a well-rounded athletic program for both boys and girls. There are active sports during every season. This year's athletic record has been such that all Ben Davis can be proud. Yet, the B.D. Giants keep trying to improve every year.

Gridster Tells Of Preparation For Footballing

By BOB McWILLIAMS

August 14, after what seemed to be a very long summer vacation, 52 vacation weary boys reported to Ben Davis High School to take physicals for the football team.

August 15 began the hardest two weeks of training for them. At 9 a.m. they were on the field in shorts and football shoes ready to start conditioning. The first two days consisted of running and calisthenics. After calisthenics the quarterbacks threw to the other boys. This was followed by a few windsprints and then a trip to the showers to cool off.

The third day pads, pants, and jerseys were issued. By this time, however, the squad was cut down to 25 boys. Some had to get jobs

When Ben Davis' second homecoming game against the Warren Central Warriors, the host eleven, 20-6. It was a victory for the Giants.

The first and second quarters ended in a deadlock, 0-0. Guard Frank... the first quarter, and back in the second period.

After the crowning ceremony, the team returned to the gridiron against the rival eastsiders. The game, broke the game open in the third quarter with a 74-yard run converted the extra point by Davis.

Ben Davis Dominates

Big Ben proudly displays the trophies which have been added by the 1957-58 athletic teams.

The 1957-58 Marion County sports scene was a happy one for Ben Davis fans as the Giants grabbed championships in baseball, cross-country, and basketball. In addition to these, Coach Joe Preda's wrestling team won the Sectional crown and sent one boy to the State Finals. The "hardwooders" also did well for themselves by posting a 22 won and 3 lost record which is the best season in Ben Davis history. Included in their victory string was the County Championship and three wins in the Sectional which gave them a trip to the final game where they lost to Crispus Attucks.

All this success cannot be ascribed to "luck." Much time and hard work by dedicated coaches, players, and student managers paid off, and gave our school the best athletic record we have ever had.

Proof of our domination is found in our retention of the All-Sports Trophy for the second straight year. If we can win it again in '59, we get permanent possession! Hooray! for the Giants! They are the "greatest."

Football Boys Play

Although not too impressive, the football team's record this year was not one of which to be ashamed. With eight returning lettermen left from last year's squad, the boys proved they could put up a fight and at no time did they lose their spirit.

In their opening game, the Giants lost a heart breaker to Danville 14-13. In the next two games the gridmen downed county rivals Southport and Warren Central. Continuing their winning streak, the Giants defeated Sacred Heart 25-6. The Giants dropped their next three games to Broad Ripple, Manual and Washington.

Playing their last three games against Decatur Central, Wood, and Lebanon, the Giants failed to notch another win which left them with a seasonal record of three wins and seven losses.

The Reserves won one, lost three and tied one.

The Freshman team 'took it on the chin' five times without a win.

Pratt's Running Sparks GAA To 25-6 Win Over Spartan

Halfback Larry Pratt's elusive running put Ben Davis's crack offense as they downed the Spartans 25-6 at CYO field, Oct. 5.

Pratt, a senior, scored two touchdowns in the first quarter. His first touchdown came on a 55-yard run, and the other on a pass from junior quarterback Danny Turpin.

During the second quarter the Spartans drove 70 yards from their own 30 to score on a run around end by quarterback Mickey Seal with two minutes remaining in the half.

Halfback Eddie Burrous of Ben Davis climaxed a third period drive with a run around left end for the touchdown.

Cross Country Captures County Title For B. D.

The Ben Davis harriers won their fourth county championship in six years under the direction of the new coach, Mr. Wendell Hine.

Graduation left coach Hine only one returning letterman, Jack Bantley, and it looked as if this year would be a difficult one. However, the Thin-clads had a season record of eight wins and four losses.

Coach Hine stated courage, confidence, determination, good pace-judgment, and a knowledge of racing tactics, as the essential requirements for a championship team.

Ben Davis Grapplers Become Sectional Champs For '58

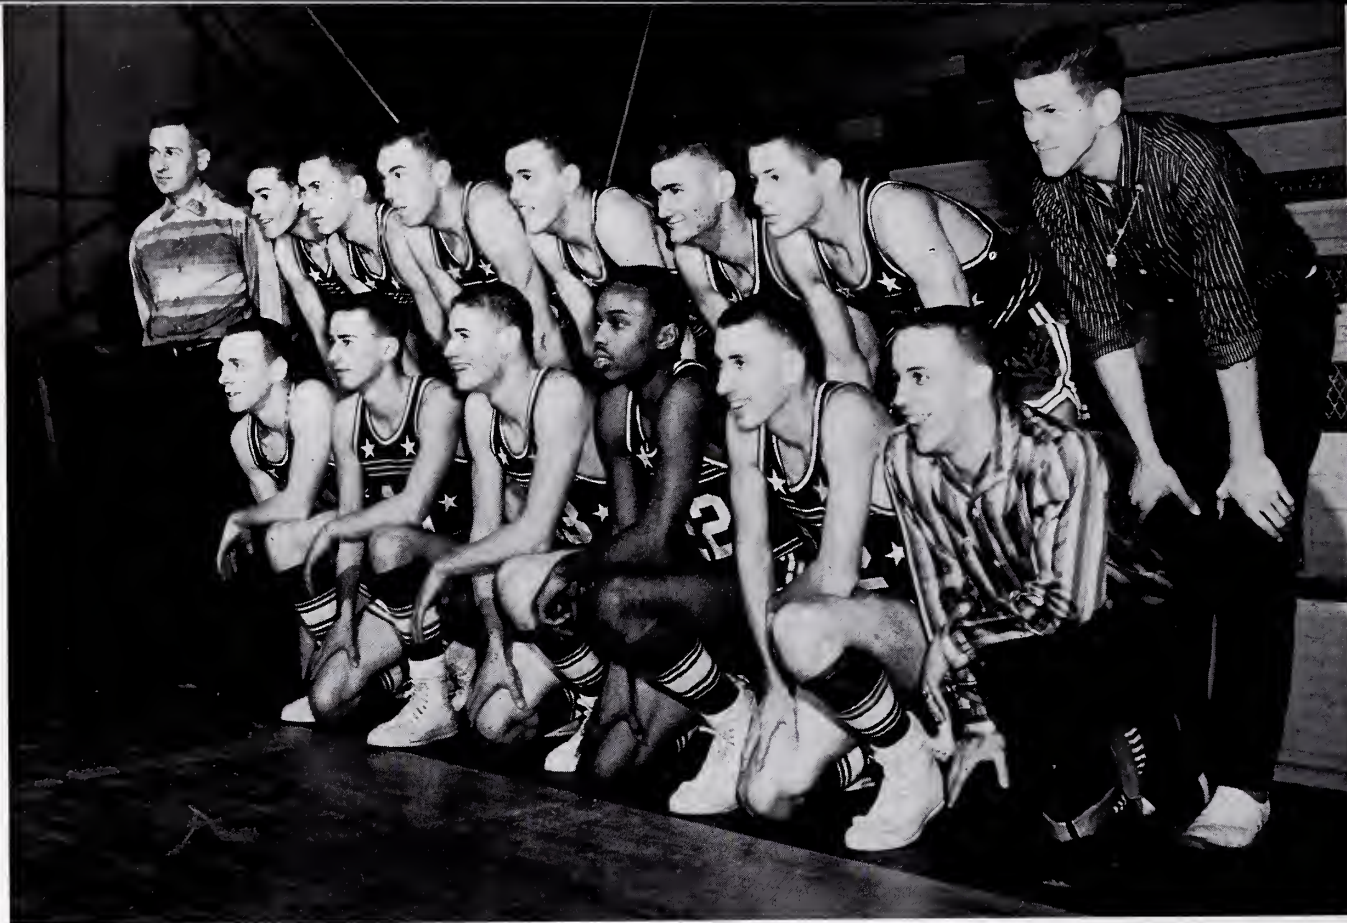

Climaxing the most successful wrestling season in recent years, Ben Davis High School grapplers, under coach Joe Preda, captured first place in the Sectional Tournament held at Bloomington. The matmen also placed second in the County Tournament. Bill Kappel, Tim Mongan, and John Neeley paced Ben Davis in the Sectional by winning the 175, 165, and 138 pound classes respectively.

During the regular season, the Giants posted a record of fourteen wins against only three losses.

The Reserve grapplers completed their season with four wins against four losses.

Under second year coach, Marion Fine, the Ben Davis netmen set an all time record at Ben Davis, winning twenty-two of their twenty-five games. Their only three losses were to top ranking city teams, Manual, Shortridge, and Crispus Attucks. Included in their victory string this year, was the 39th annual Marion County Championship tournament.

The Giants advanced to the finals of the Indianapolis Sectional, only to be downed by the Crispus Attucks Tigers, the defending champs. This was the farthest a Ben Davis team has gone in the sectional since 1936 when they were defeated in the final game.

The reserve squad also had an outstanding record, winning seventeen of their twenty games. They also won their county tourney.

Although the frosh team was the only one of the three teams that didn't win their county tourney, they posted a fine record.

Baseball Giants Proud Of Winning County Championship

Coach Trent Gipson's Diamondmen won the mythical county championship in 1957 by compiling a 13-3 record.

The Giants opened the season by whipping the Danville Warriors, 22-0. After beating Crispus Attucks, Shortridge, and Zionsville, the baseballers tasted defeat for the first time, bowing to the city champion Broad Ripple Rockets, 2-0.

Next the Giant men downed Lebanon, their last game before the county tourney. In the county tourney, they beat Speedway, Warren Central, and finally Southport for the crown.

Decatur Central, the second team to conquer the Giants, won a 5-4 decision. With five games remaining on their schedule, the Diamondmen downed Speedway, North Central, Seecia, and Lafayette, losing only to the Washington Continentals.

Tracksters Have A Successful Season's Record

The 1957 track team, coached by athletic director Howard Williams, won three and lost seven of their ten scheduled meets. The Giants placed fourth out of thirteen teams in the Columbus Relays, and also placed fourth in the county meet held at Tech.

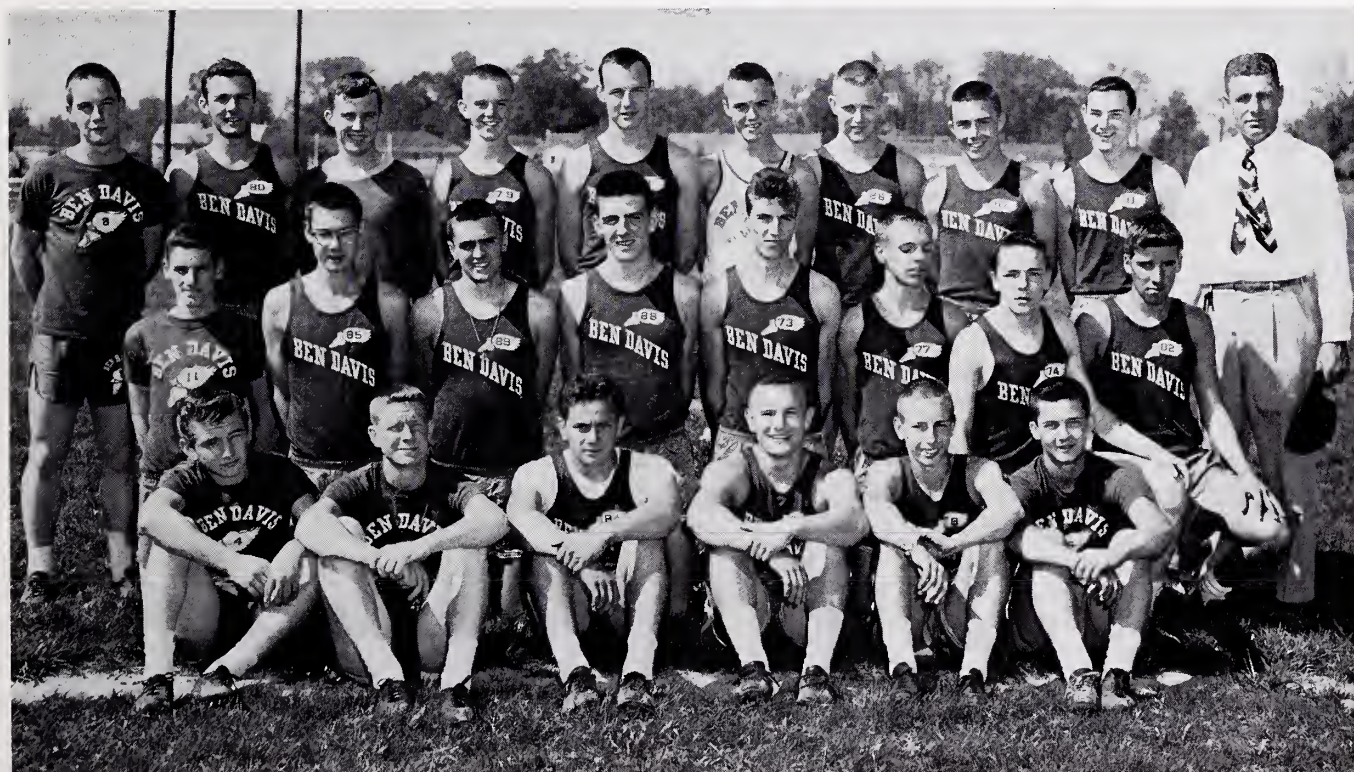

The tracksters were paced by Guy Dennis in the half mile, Mike Maguire in the low hurdles, and Bob Sears in the mile. Ed Burrous also did well in the dashes and the broad jump.

Tennis Anyone? Boys Saying Yes Boast Fine Record

Sometimes called the "step-child of American sports," tennis is enjoying an upswing in popularity at Ben Davis. Two more courts are being added which will double our facilities and enable more boys to participate.

The Ben Davis racket-men, hampered by lack of size and experience (only two boys could jump over the net!), won only two of their seven matches in 1957. First year coach Robert Lee built his team around just three returning lettermen from the 1956 squad.

With more experience in 1958, coach Lee and his tennis boys plan an improvement of the record of the preceding year.

G.A.A. Teaches Girls Healthful And Enjoyable Sports

At their annual Awards Banquet in the spring, the Girls Athletic Association had 'alumni night' and invited all the past members to return to enjoy the festivities.

This organization, with about 35 members, is concerned with the teaching of physical skills and provides the girls with a chance to participate in and enjoy the thrill of competitive sport.

Golf Is A Popular Spring Sport Among Ben Davis Students

When it begins to get warm in the spring, two things pop up in great abundance — mushrooms and golfers. The “divot-diggers” at Ben Davis, under the able direction of Coach Bob Dunbar, began playing March 1st and will play until the end of school. The boys are short on experience as Steve Weaver is the only returning letterman, but Mr. Dunbar is happy with the fine Freshman prospects who figure to ‘whack ’em long and straight.’

Varsity Cheerleaders Back Giants All The Way

"Go! Fight! Win! Come on now! Do it again — louder!" shout the five pretty varsity cheerleaders of Ben Davis High School. Out of the many girls who tried out in the spring, this quintet was chosen by a secret ballot vote of the Booster Club and the Letterman's Club. It was then that their work really began. They had to practice together many evenings to obtain the almost perfect precision and coordination in their intricate routines for which they are noted. Cheerleading is rewarding and fun, but it also requires hours and hours of hard work.

Eileene Taylor expresses her excitement and joy at the County Tourney as well she should — we won!

Helping our teams to victory are Varsity Cheerleaders Nancy Farr, Ann Weschler, Sandra Allen, Delores Frost, and Eileene Taylor.

Reserve Cheerleaders are: Sue Farr, Karen Crouch, Donna Campbell, Patty Pruitt.

Reserve And Frosh Cheer Teams On

Cheering the Reserve and the Freshman Teams to many victories were the four Reserve Cheerleaders and the five Freshman Cheerleaders. These Ben Davisites show true school spirit and loyalty. They practiced frequently and faithfully on their tricky yells, and they developed many clever and intricate formations to please the fans. No matter what adverse conditions worked against them — the weather, minor illnesses, traffic problems, or any other — they always went to every game and “yelled their heads off” so the Giants would know that Ben Davis was backing them all the way.

Freshman Cheerleaders are: *left to right*: Linda Kelly, Tonda Pemberton, Henry Bernard, Donna Buzzird, Betty Hollingsworth.

Ben Davis Has Largest Enrollment Ever

Ben Davis' population grows larger every year. The "little Giants" can be found going to, coming from, in, out, and all around Ben Davis. They work, play, loaf, cry, fight, yell, complain, and praise, but always together. That's the way Ben Davisites are — together.

Administrators, And Deans

Mr. Madison Shadley is the principal of Ben Davis High School. In his three years here, Mr. Shadley has worked tirelessly to make our school the fine learning institution that it is.

A tremendous amount of work accompanies Mr. Samuel Lang's distinction and honor of being Trustee for the largest township school system in the United States.

Superintendent for Wayne Township Schools is Mr. Frank Cline whose chief function is to interview, engage, and place the teachers in our 15 schools.

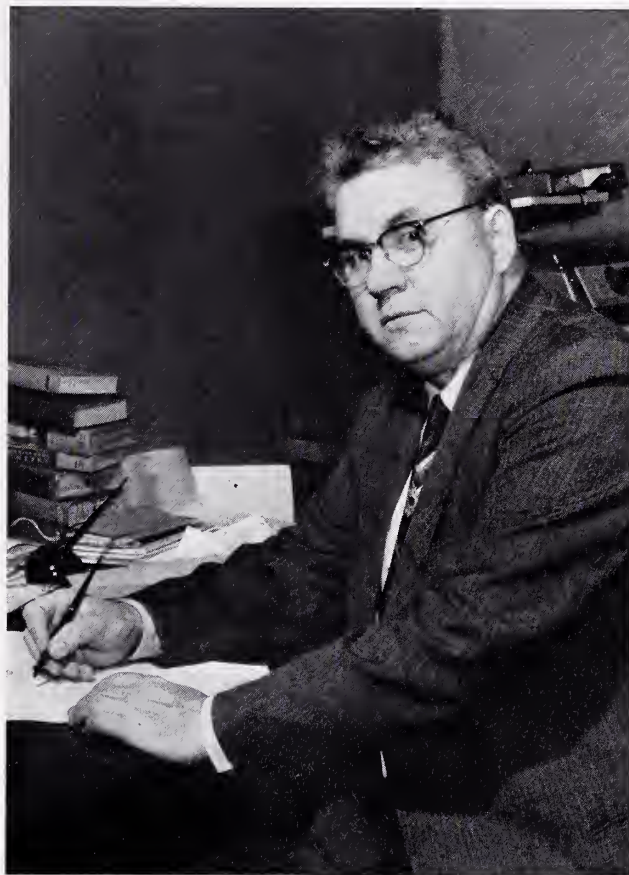

Backbone Of B.D.

Ben Davis High School, which has a campus as large as some colleges, is being daily confronted with hundreds of problems of varied nature. These problems will be met and solved by one of the six administrators of Ben Davis. It is the job of these men to make the decisions which will enable the largest township high school in the nation to function smoothly.

The seventy-three teachers who compose the faculty work with the administration to discover and carry out the most successful plans of operation for the benefit of both faculty and students.

Another integral part of the administration staff is the deans whose job it is to supervise attendance, discipline, and student behavior.

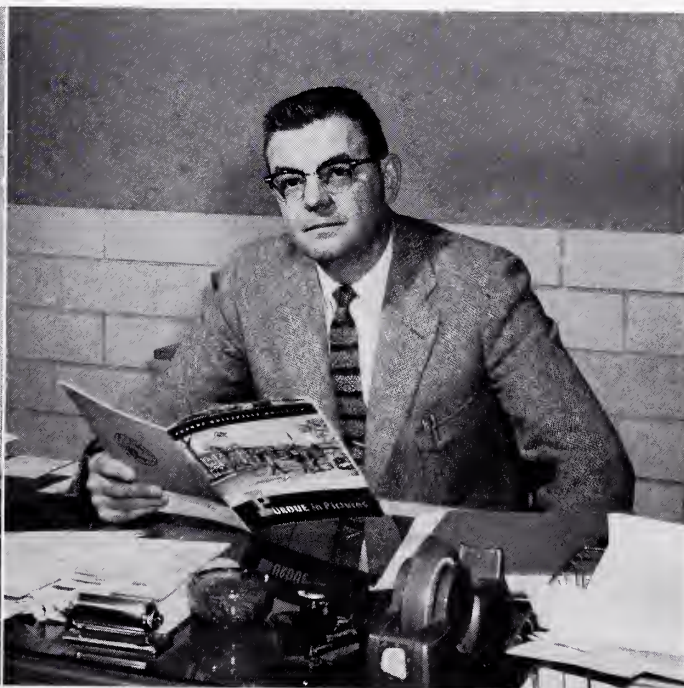

Programming, supervision, scheduling, and policy enforcement are just a few of the many duties of the staff. All go together to make Ben Davis the successful school that it is.

Mr. William Girton is the Vice-Principal of the Senior Building and, because he is our Registrar is one of the busiest persons at Ben Davis.

Vice-Principal Howard Wood is in charge of the Junior Building and also had the difficult task of making up the school calendar.

In the Wayne Central Building the Vice-Principal is Mr. Richard Apple who is also the head of our new Guidance division.
